User Experience Designer

SUMMARY

Lead user experience and interface designer who guides product teams to deliver beautiful, effective, and intuitive software. Seeking a lead design role where I can evaluate, redesign, and re-think large scale applications and services.

SKILLS

- Agile methodologies and practices
- User experience skills include:
 - User research and competitive analysis
 - Product team, owner, and customer collaboration
 - Wireframes, mockups and prototyping
 - Interface design
 - Front-end development
- MVP and Lean Startup thinking
- Project brainstorming and consulting
- *Design Software*: UXPIN.com, Basalmiq, Adobe Creative Cloud

EXPERIENCE

Lead User Experience and Interface Designer - May 2011 – Present

Morgan Lewis & Bockius, *Philadelphia, PA*

- Lead designer within four agile product development teams.
- Assists with core responsibilities throughout product lifecycle
- Strategic thinking with C-level Executives, Product Owners, and IT Directors about firm initiatives and how our products can innovate and push firm forward.
- Bring together the different teams with wireframes and prototypes to communicate ideas.
- Pushing use of newest CSS and UI libraries and frameworks.
- Setting mobile and application design standards and guides.

Web Designer - May 2008 – 2011; 2011 – Present (Contract Basis)

Pliner Solutions, Inc. *Willow Grove, PA*

- UI/UX design and implementation for robust web applications.
- Work remotely with development teams strictly through JIRA, email, and weekly phone calls.
- Communicate with clients to understand their goals, challenges, and needs.
- Coordinate projects with development team, managing priorities and responsibilities.

Art Director - 2004 – January 2009

Orthrus Studio, LLC. *State College, PA / New York, NY*

- Startup design studio to gather work and experience while pursuing undergraduate degree.

Sales Presentation Designer – Internship, Summer 2005

Turner Broadcasting Sales. *New York, NY*

- Created B2B sales presentations with TBS, TNT, and CNN with internal design teams.

EDUCATION

MS Sustainable Design; Philadelphia University; 2011

BA Integrative Arts; Pennsylvania State University; 2006
